# WELCOME TO REDMAN TROPHY BIG GAME HUNTING

**THE GAME** Our Elk, Bison and Whitetail are suited to the climate here in the North, therefore they are very large in body size. Elk often weigh in excess of 1000lbs, Whitetails as much as 300+ lbs and Bison as high as 2600 lbs.

Expect antlers on your Bulls to be typically very dark and carry extreme mass, bases as high as 14" around.

Bison have heavy thick hides, with heads as large as 3 ft sq. Wild boars can weigh up to 500lbs with large tusks and grizzly coloring.

**HUNTS** Your hunt begins at the end of August and runs through to the end of November. September being the preferred month for calling Elk and November for rutting Whitetails. Bison are in full hair throughout September to November season.

**Choose to hunt Wild Boar and Rams as a second species.**

## MONSTER BULLS

Professional guides are familiar with all styles of weapons, types of hunting and each species. Guides will take care of your game to ensure your trophy makes it home in great shape.

Skinning, capeing and dressing animals, packaging antlers and heads for shipping is all included. All Canadian documents are filled out properly, to get you home without any hassle. Courtesy scoring will be performed on your trophy by a SCI measurer.

## ACCOMMODATIONS
